

LAY SPEAKER PROFILE SHEET

INFORMATION

NOTE: Some of the information being requested is optional in nature. The intent is to assemble a data base that can be used to develop future programs and needs of our lay speaking ministry. This data base could also be shared with the District and Conference nominating committees. They are charged with the responsibility to see that positions are filled with individuals eager to serve, who have expertise in various fields, and to ensure that inclusiveness is maintained throughout the conference.
